She wears glasses daily, and the company makes her favorite pair. She found out about the company when she was paying for a pastry at her neighborhood deli, which has a separate gift shop. The exact pair isnçÁÁAt available, but the Shea frames are comparable, with a similar pale salmon shade, square shape, studs on the side, and more matte finish. Monbouquette is notorious for having readers scattered around the house, car, and studio, and these are easy to find because of their caneçÁÁAt-miss color.
